RE: Application SN 09/397,325; Filing Date 09/16/1999
For: "Electronically Controlled Method of Composing..."
Group Art Unit 2178

Sir:

An Amendment filed by facsimile on December 6, 2002, appears to have been misplaced within the Office.

Enclosed is a copy of the Amendment consisting of eight pages. Also enclosed is a copy of the transmission verification from our own facsimile machine. A further enclosure is a copy of the Auto-Reply Facsimile Transmission received from the Office.

Today upon calling the Group Receptionist at (703) 305-3900 we were informed that this Amendment has not been entered into the computer system by which the Office maintains a record of proceedings. Apparently the Examiner Report mailed on November 21, 2002, also had not been included in the computer record.

Respectfully yours,

Gene W. Arant
Applicant
